

## Holiday Fever

“On Tuesday, November 21, the Mount’s annual Thanksgiving Basket Drive ended when several varsity football players delivered baskets to St. Dominic’s Church. These baskets consisted of all the necessities needed to feast on Thanksgiving Day. Led by Campus Minister, Mr. Van Bomel and Student Council Moderator, Mrs. Negrin, the Mount student body helped fill up 60 baskets with food and helped raise money to purchase 60 turkeys for the different families involved with the ASTAAN program. ASTAAN is a program, of less fortunate families, housed by St. Dominic’s Church. Players like Mike Petrellese, Steven Berger and Chris Ogando helped with the delivery part of these baskets just to show that they are in Holiday Fever. Once again, as usual, this annual program is another success led by the Mount students and faculty.
