

## Success In The Fall

by Ivan Vasquez '08

As school began in early September the Varsity Baseball team, headed by Coach Stampfel and Coach Van Bomel, began tryouts. By adding the new talent from last seasons JV and Varsity teams, Coach Stampfel felt comfortable into doing well this fall season. One major goal during this fall season was to win the 22nd annual Joe Tricario Tournament hosted by The Mount. In this tournament there were four participating schools: Mount St. Michael, Cardinal Hayes, St. Raymond's and Fordham Prep. The Mountaineers indeed played to their potential and was able to seal the victory in the championship game of the Tricario Tournament. They faced archrival Cardinal Hayes. The final score was Mount 3 and Hayes 1. This victory was especially special for the MVP Keith Manlanga, having pitched both games and sealing both for victory. Another major reason for the fall season is so that the coaches can begin scouting players for the spring team. Finally, Congratulations to the 2006 Fall Baseball Team and Good Luck in to them during the spring season.
